

Rule 13

- a) All Bowlers may bowl in the zone of principal residence

Definition of Principal Residence

As a guide, Principal Residence shall be the residence individuals use for taxation purposes, drivers' licence, etc. Bowlers with more than one residence, such as commuters or individuals living away from home for employment or educational reasons, must contact the provincial office for a ruling.

- b) i) Bowlers who only compete in regular league play in the zone of their principal residence, and individuals who do not compete in regular league play must enter the Open in the Zone of their principal residence

ii) Bowlers who compete in regular league play as registered members of a BC5PBA sanctioned or affiliated league in a zone other than their principal residence, will be allowed to compete in the Open in that other zone by sending a **DECLARATION OF INTENT** to the Provincial Office by October 31st, 2020. A copy of the previous season and current season average sheet confirming their participation in said league must accompany the **DECLARATION OF INTENT**. **Furthermore, it is the competitor's responsibility to ensure that this form is submitted to the BC 5 Pin Bowlers Association by the deadline established.**

PLEASE NOTE: In the prior season a bowler must have bowled a minimum of (50) games in a sanctioned or affiliated league of the zone they wish to declare in. Once a Declaration of Intent is filed the Bowler cannot bowl in the zone of their principal residence for that year. If a Declaration of Intent is not filed by that date, the Bowler must compete in the Zone of their Principal Residence.

Definition of a Sanctioned or Affiliated League:

- 1) Any league that is played in **ANY** center within that zone's boundaries with the following exception:

For the purposes of keeping all our zones intact and competitive, The Friday Night League that is played at Port Coquitlam Bowl, will be recognized as a league that is affiliated solely with Zone 2 (Lower Mainland).

PLEASE NOTE: This rule will apply to **ALL** zones.
